

## GPS Activity/SS/ELA

***Go on a treasure hunt! Let's geocache!***

List your group member's names:

Date: \_\_\_\_\_

1. \_\_\_\_\_
2. \_\_\_\_\_
3. \_\_\_\_\_

Directions: You will need to locate your waypoint. Use your navigational tool (GPS) to help you find your location where you will look for a "treasure box" that will contain important information. You must place the slip in a bag to use later.

For the six "treasure boxes" you must record each specific waypoint.

- |              |         |
|--------------|---------|
| ➤ #1 N _____ | W _____ |
| ➤ #2 N _____ | W _____ |
| ➤ #3 N _____ | W _____ |
| ➤ #4 N _____ | W _____ |
| ➤ #5 N _____ | W _____ |
| ➤ #6 N _____ | W _____ |

**\*\*Important-synergize! Treat people and things with respect! Be safe and responsible!**

GPS user:

1. Turn it on. Press power on (bottom button on the right side). \*Give it a minute to say *Ready to Navigate Accuracy*.
2. Press top button on the right side *Page 4* times.
3. Press the down button (left side) to waypoints. (Down 1-one flag picture.)
4. Press enter (bottom button on left side).
5. Make sure you are highlighting the first waypoint.
6. Press enter (bottom button on the left side).
7. Press enter again.
8. \*Go To\* will be highlighted.
9. Press enter.
10. Use the compass and the mileage locator on the top of the screen to direct you to your location.  
➤ ***HAVE FUN!!!***
