

American Revolution Jigsaw Geocache

Print and cut out the questions and answers below. Place a question and an answer in each of 6 containers. Hide and mark the location of each container. Divide students into groups to each find one container. After they return to the classroom, groups have to work together to match the correct questions and answers.

1. What law, passed by British Parliament, placed a tax on printed materials in the colonies?
2. What was the name of the event where angry colonists dumped British tea into Boston Harbor to protest the Tea Act?
3. What is the name of the organization that Samuel Adams is famous for organizing?
4. Which battle began with the "shot heard round the world"?

5. Which patriot warned of a British attack by riding on a horse through the streets shouting, "The British are coming!"

6. What was the name of the battle in which British General Cornwallis surrendered his entire army giving the Americans victory in the American Revolution?

The Stamp Act

The Boston Party

Sons of Liberty

The Battle of Lexington

Paul Revere

The Battle of Yorktown
